The interface for adding a new book (Adicionar Livro) features a blue header bar with a back arrow and the text "Adicionar Livro". Below the header is a form with several input fields and a "Adicionar" button at the bottom. The form fields include: "Imagem:" (text input), "Titulo (Original)" (text input), "Titulo (Traduzido)" (text input), "Autor" (text input), "Edição:" (text input), a list of categories with checkboxes for "Ação" and "Juvenil", "Editora:" (text input), "Sinopse:" (text input), and "Quantidade" (a dropdown menu showing options 1, 2, 3, and "..."). The "Adicionar" button is a blue rectangle at the bottom of the form. The status bar at the top shows signal strength, battery level, and the time 14:52.
